Calex Smart Rustic LED lamp 7W 400lm 1800-3000K

EAN 8712879144960

Beautiful and smart! This rustic lamp is made to be seen. The mirror-like titanium coating, combined with the ability to fully adapt to a user's personal needs with timers, color temperature adjustment and adjustable routines, is a double threat to lamps that only one can offer. These smart lamps work on a normal wall switch and via WiFi. Not on a dimmer switch. Via the Calex smart remote control and the free Calex app you can connect these lamps to WiFi and set them to the desired ambiance.
