DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

The 20W TOAD2 LED work lamp is powerful and autonomous at the same time: it offers you 1400 lumens of light (20W) for 5 real hours of light (50% mode. 2.5 hours in 100% mode); equipped with a very convenient power bank to charge your phone or tablet wherever you are. IP65 waterproof and resistant: TOAD2 was built in die-cast aluminium in a structure that perfectly distributes the heat; it is waterproof and can withstand rainy days and any other weather conditions. Simple to hold or hang: the TOAD2 portable LED work light is perfect for camping, exploration or as an emergency light; it can be used for work, camping, hunting, exploration, research, etc .; it can also be hung, for example, for car maintenance work. The bracket is totally collapsible: the overall dimensions are therefore reduced to a minimum; you can keep it everywhere, even in the car. TOAD2 mounts a 3,7V and 8800mAh li-ion battery; recharges via the supplied USB charger; SMD LED technology is a long lasting one; light beam: 100 °.
