DESCRIZIONE / DESCRIPTION / DESCRIPTION / DESCRIPCIÓN / BESCHREIBUNG

Elegant design: the E27 oval lamp offers a classic and simple design; it is easy to mount both on the wall and on the ceiling. Waterproof: the lamp is designed for both indoor and outdoor use thanks to the high degree of protection IP44, water and dust proof; ideal for bathroom, balcony, living room, corridor, workshop, garage, garden etc. It is used by mounting any E27 bulb (led, incandescent or energy saving) 60W max. The materials are of quality: plastic and heavy glass; anchors provided. Discreet but efficient, this lamp is excellent for outdoor installation (garden) but also garage or closets.
